Today is a day which we, as Christians, in America must face with the utmost courage and resolve. This is a day to remember the incredibly destructive and demonic 1973 decision by the United States Supreme Court legalizing abortion. Since this day, in a court case which was based on lies and deception, 63,000,000 innocent pre-born babies have lost their lives to the abortion industry. Not rare, safe, or humane, millions of babies' lives have been brutally snuffed out, some even after being born.

### How can I help fight against this constant evil in our nation?

1. Volunteer at your local pregnancy center.
2. Donate funds to your local pregnancy center.
3. Intercede daily in prayer for your local pregnancy center.
4. Become equipped to speak with women and men who are considering a decision to abort. We can train you at Abel Pregnancy Resource Center.
5. Become a liaison to Abel Pregnancy Resource Center and represent your congregation.

If you believe you are being called by the Lord to be a part of our team, please call us at 304-325-2000. We are in great need of more women and men. We will train you with the skills you need to speak into the lives of the abortion minded and abortion vulnerable of our communities. This is our greatest need at this time. The commitment is 4 hours per week to help save a life.

God bless you and thank you.
